

CAREER INSPIRE

2026

Career Inspire is an interactive career exploration event for 7th and 8th grade students, designed to connect classroom learning to real-world career pathways.

As Texas students select their high school endorsements by December, this experience provides meaningful exposure to industries and direct engagement with professionals to help inform their decisions. We invite employers to participate by showcasing their industry and inspiring the next generation of talent.

A \$150 booth fee covers event setup and company signage. Your involvement directly supports Career Inspire 2026 and helps equip students with the knowledge and confidence to succeed in school, career, and beyond.
